THE REGULARS, ROYAL CANADIAN DRAGOONS AT STANLEY BARRACKS

A corner of the Sergeants' Mess, Royal Canadian Dragoons, at Stanley Barracks, which is one of the oldest buildings in the city.

The Dragoons are part of Canada's regular forces.

Lined up for "drinks" in the canteen of the Royal Canadian Dragoons. The can'een is always a popular corner with the boys, for it means have that are not on the daily menu.

The kitchen staff of the Royal Canadian Dragoons having dinner prior to serving the hungry soldiers stationed at S anley Barracks

Barrack room of the Royal Canadian Dragoons, Stanley Barracks. Each man has his own cot, trunk and section of the shelving for his own kit.

"Tap soom" of the Royal Canadian Drassoons, Stanley Barracks. Here the men smok, and amuse themselves during their leisure hours. The Dragoons are regular forces.

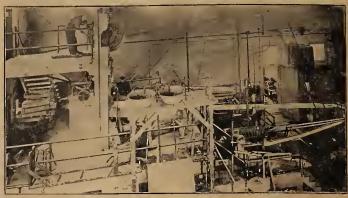

Men of the Royal Canadian Dragoons make a fine showing when on parade. These soldiers belong to the Depot Squadron at S abley Barracks, and some of the old "Originals" are among the numbers.

SUNDAY MORNING FEBRUARY 9 1919

SOLDIERS' TRAINING CLASSES AT THE UNIVERSITY OF TORONTO

A class in assaying, of soldier-cillzens, at Toronto University. The men are being fitted to take positions in the mining regions of Northern Ontario.

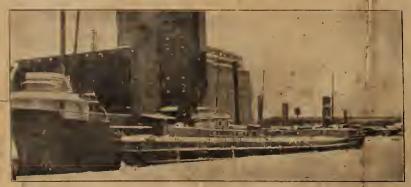

Re-training soldier-citizens at the University of Toronto. The men are shown crushing gold ore from Porcupine and the north country in the stamp mill.

A pile of wood in High Park on by city employes for future use in civic buildings. This will help conserve coal for zero weather when it comes.

Refurned men by the Soldiers' Aid Commission Class at the University of Toronto. The men are learning the art of making old shoes as good as new.

The new million bushel addi lon to the elevator at Midland, which will give it a capacity of 2,500,000 bushels. There is a fleet of steamers lying alongside waiting to be unloaded.

The government dock at Midland. The two large buoys are markers to the harbor and hold enough gas to light the channel for a season.

the of about 2,000,000 bushels. They are thru Welland 10

Section of the grain fleet waiting discharge at Midland. There are thirty-five grain vessels in all, carrying an average of 400,000 bushels each. This will necessitate tift cen thousand cars to move it.

Photograph of the 1st Canadian Mounted Rifles band, tken at Mons on November 12, 1918, the day after the armistice was signed.

Canadian and British soldiers viewing with great interest the picture of a ba'tleship at the Cana-

Opening of the Exhibition of Canadian battle ph otographs at the Grafton Galleries, London, by Sir Edward Kemp. Sir Robert Borden, Gen. Currie and Sir Edward Kemp are seen viewing the pictures.
